## Special Request

The school would like to purchase a Silhouette CAMEO machine for the teachers to use. This is a cutting machine that would save the teachers a lot of time and money. It would allow the school to make their own letters for bulletin boards rather than purchase them. It also has the capability to cut vinyl, fabric, foam, and much more.

The company offers a 20% teacher's discount. However, the machine and supplies still costs approximately \$300. Would you be willing to contribute to the school/teachers and help us purchase this beneficial tool?

Philadelphia Christian School is a ministry of Philadelphia Baptist Church. If you do not regularly attend church, please make plans to worship with us soon.

## Choir Singing

On August 30, the PCS School choir had the privilege of singing at Whitfield Baptist Church during their Awesome Preaching in August. Each Tuesday night in August they had a special service with different preachers each night. Bro. Tony Howeth brought an “awesome” message from Philippians 4:1-4. He encouraged us to stand firm, stop fighting, and stay focused.

Thank you so much for attending with your children or allowing them to participate. We had a very good attendance. We are so thankful that our school has the opportunity to minister to churches in music and song and to be a blessing to others. Please continue to pray for our school and choir as we begin practicing new songs for this school year.
